School Overview

Tingalpa State School is co-educational and caters for the educational needs of children from Prep-Year 6. Our focus is on providing an excellent teaching and learning environment to allow children to achieve academic success and develop positive social and emotional skills. Our supportive and caring environment helps to motivate children to “Strive to Excel” in all that they do.

With just over 440 students, our school shares a sense of family and allows us to develop strong partnerships with parents and carers. Together we can provide children with the best foundations for their future. Established in 1873, Tingalpa State School has a proud history within its community and continues to hold a positive, caring reputation. Our dedicated staff develop challenging and rigorous learning opportunities to meet the needs of all children in a modern learning environment.

Principal’s Foreword

Introduction

School Progress towards its goals in 2017

As a school we submitted the following strategies to improve student outcomes:

- Providing professional development (internal & external) to all teachers and teacher-aides in explicit teaching practices.
- Purchasing TRS to release teachers for Coaching Conversations.
- Provide opportunities for teachers to work collaboratively.
- Employ a Head of Curriculum to embed whole school curriculum plans.
- Employ Teacher Aides to support the improvement agenda
- Purchasing TRS to release Prep Liaison Teacher to establish networks with feeder Pre-Prep Providers.
- Purchasing additional resources to compliment initiatives
- School teams to visit ‘like schools’ performing at higher academic levels to identify effective teaching practices.

During 2017, we have focused on maximising the benefits of this funding for our students. After reviewing our Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

As a school we implemented targeted, evidence-based strategies to improve student performance in Literacy / Numeracy:

- Continued our use of short term data collection cycles to track student learning through the use of Data Walls.
- Further developed coaching, mentoring and professional learning programs to improve teacher capability and collegiality – a focused, strategic and school-wide focus on improving instructional practices.
- ICPs have been written for students not able to access their year level curriculum.
- Engaged all teachers in Learning Walks and Case Management Meetings to scaffold teachers to reflect on student learning.
- Implemented a whole school approach to Guided Maths and Guided Reading.
- Revised Whole School Maths Program with Year Level Overviews.
- Revised Maths Assessment to ensure there are multiple opportunities for students to demonstrate knowledge, understanding and application.

- Released Year Level Teams to plan teaching, learning and assessment each term in English, French and Maths.
- Implemented a remedial Speech Language Therapy program for identified students requiring support in Oral Language. Implemented additional support (TA) for English as an Additional Dialect (EAL/D) students across the school identified as requiring support.
- Implemented additional support (T /TA) to support the French Bilingual Program.
- Implemented intervention programs delivered by Teaching and Learning Mentor, Teachers and TAs.
- Purchased additional resources to support Reading and Maths initiatives.
- Employed a Head of Curriculum to support curriculum alignment.
- Released Year Level Leaders to support Year Level Requirements.
- Engaged Teachers and Teacher Aides in PD to develop effective pedagogical practices in Maths.
- Engaged teachers in Professional Learning Circles: Differentiated Classroom.
- Released a Senior Experienced Prep Teacher to visit and host with Pre-Prep providers to build stronger partnerships and have shared understandings around skill and routine expectations of students entering Prep.
- Offered Parent Information Sessions and newsletter items to provide information to parents on how to help their children at home.

Additional Focus and successes for 2017:

- The French Ministry formally accredited the Tingalpa State School French Bilingual Program with AEFÉ, Agency for French Teaching Abroad. The accreditation recognises Tingalpa State School as the first school in Queensland to be accredited with the French Ministry.
- French Bilingual Program was expanded to Year 5.
- Tingalpa State School successfully maintained their accreditation with ASAA Australasian School Accreditation Agency, through the annual review process.
- Explicit improvement in the Teaching of Mathematics.
- Use of NAPLAN- National Assessment Program Literacy and Numeracy, diagnostic and A-E data to improve student achievement.
- Tingalpa State School organised and hosted the Inaugural Maths Mastermind Challenge for selected students in years 4 and 5. Tingalpa Team A came second and Team B came third.

Future Outlook

Our priorities for 2018 are:

- * Continue to build on improving literacy and numeracy results. This involves whole school approach to explicit teaching of reading and numeracy strategies.
- * Mathematics
- * Critical and Creative Thinking.

Year 4 – Year 6	23	28	26

Curriculum Delivery

Our Approach to Curriculum Delivery

The **Australian Curriculum** for English, Maths, Science, HASS, Physical Education and Health and Japanese (as our language other than English taught in year 5 and 6), French in year 3 and 4, Technology and The Arts.

The school has developed a culture of high expectations in all key student learning areas but specifically in literacy and numeracy achievement. Focus has been placed on explicit curriculum planning, teaching, assessment and reporting practices that help individual students to achieve learning expectations.

Tingalpa State School is developing strong differentiation practices across the school to cater for all learning needs. We have been working on building our knowledge of differentiating the curriculum to extend and challenge high achieving and gifted learners. In addition to the curriculum we have expanded the number of programs offered to high achieving and gifted learners, these include IGNITE, Ignition, Maths Mastermind, Young Writers' Festival and STEM programs.

Co-curricular Activities

Extra and co curricula activities cater for the diversity of students in the school. These include:

- Performing Arts – Spring Soiree, dance, choir, instrumental music band and ensembles.
- Academic- ICAS competitions, Gifted and Talented programs, Maths Mastermind Competition.
- Tingalpa Tales – Author Week.
- Camp for students in Years 5 and 6.
- Sport Aerobics.
- Pastoral Care - school chaplain.
- Student leadership - There are many opportunities for students to develop leadership skills and to participate in decision making in the school such as the School Captains, Media Captains, Sports Captains, Performing Arts Captains and Student Councillors. Leadership pathways for students are created through participation in the various extra curricula activities teams and clubs.
- Robotics and Coding Clubs
- Community events such as; Tingalpa Tales dress up, Easter Hat Parade, Under 8's Day, ANZAC ceremony, Christmas Carols and Bullying No Way Day activities.
- Well-being presentations such as; Day for Daniel and Cyber safety programs.
- Sport - soccer, rugby league, touch football, netball, AFL, swimming, cross country and athletics.
- Celebrations of learning occur on parade each fortnight and in classrooms at the end of Term 1 and 3 with an open classroom session.

How Information and Communication Technologies are used to Assist Learning

At Tingalpa State School we embed the use of computer technology or Information Communication Technologies (ICTs) in our teaching and learning programs through:

The use of interactive white boards or 'smartboards' in all classrooms across the school, enhancing the learning opportunities for all students, with all teachers using the boards in their teaching and learning programs. Teachers and students together use the various web based learning objects and programs that provide students with the real life and life like learning opportunities.

A wireless network has been installed in all areas of the school to enhance teaching and learning.

Classrooms have access to banks of laptops for digital work in the classroom. All teachers have their own laptop. We also have additional computers in the Computer Lab and the Cre8 Centre for classes to access. iPads are available for teacher and student access in Prep, French Bilingual Program, EALD and SEP.

A range of online and school purchased programs, support and extend students across the school in Mathematics and English. Some of these include; Sunshine Readers, Sunshine Online, Matific and Typing Tournament. Students can access these programs at school and at home.

The school has purchased Ozobots, Lego Mindstorms, Beebots and Lego WeDo to support coding and the Digital Curriculum.

Social Climate

Parent and community engagement

Parents are encouraged to contribute to their child's education by regularly visiting classrooms and volunteering. Tingalpa State School realises that only a proportion of parents can visit the school during school hours, therefore we endeavour to communicate with and involve parents in a variety of ways. Curriculum Semester Overviews, class newsletters and fortnightly school newsletters are distributed electronically as well as online via the school's website. We offer a range of parent information sessions about raising children and how parents can assist in their children's learning journey.

We value the parent as the child's first teacher and develop strong partnerships with parents and carers to ensure that the children's schooling experience is enjoyable and successful.

The P&C association is an important group in which parents can be involved in school decision making processes. The principal reports to this group on a monthly basis. The P&C works collaboratively with

staff at the school to raise funds to support school curriculum programs and initiatives, as well as work with the school to organise events that celebrate student learning and achievement.

Respectful relationships programs

The school has developed and implemented programs that focus on appropriate, respectful, equitable and healthy relationships.

Our school offers a series of social and emotional programs and lessons that aim to promote the skills and attributes that not only encourage successful and independent learners but also the strategies for participating successfully in life.

Tingalpa State School promotes a safe, tolerant and disciplined learning environment. Our community is guided by four CARE values – Co-operation, Attitude, Respect and Effort. The consistency of these values across the school ensures requirements outlined in the Responsible Behaviour Plan for students is clear.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	7	14	14
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns. During 2016/17 the following initiatives were implemented to reduce the school's environmental footprint:

- Vegetable gardens
- Tree planting
- School communication is conducted electronically.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	154,039	1,856
2015-2016	142,951	518
2016-2017	130,317	1,146

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

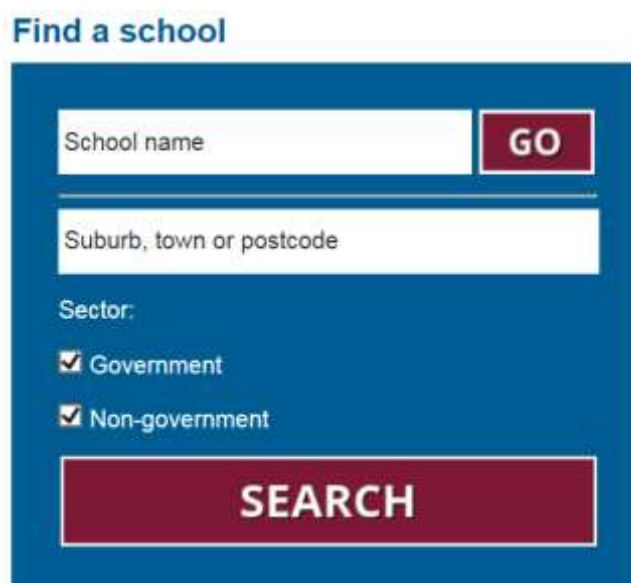

Rolls are marked twice each day at Tingalpa State School. Once at the start of the day and again after lunch. Parents inform the school of student absence via phone, email or note. Roll data is captured electronically.

Student absenteeism is discussed at regular administration meetings using the entered data as reference. It can also be brought to the attention of administration by teachers. Families of students with unexplained absenteeism are contacted to ensure a swift resolution to any unexplained absenteeism. If this is not possible, then a process of sending formal letters are mailed to the parents in accordance with DET Managing Student Absences policies.
