Stop, Drop and Go Parent Information

The Stop, Drop and Go Parent Information is designed to provide you with important information to:

- speed up the Stop Drop and Go process
- reduce congestion
- develop a shared understanding of safe procedures
- ensure the safety of students

Procedures for Stop Drop and Go:

1. Drive to where your child is directed to wait. **Children must walk and follow the instructions of the staff on duty.**
2. Ensure your child can enter the car on the **passenger side.**
3. Once your child is buckled in, drive out.

Please refer to the visual diagram attached for a detailed map of no stopping zones and direction arrows.

Please note:

- The speed limit for “Stop, Drop and Go” is 5km.
- At no time are cars permitted to stop and wait anywhere in the stop drop and go roundabout. **If your child is not ready, please continue to safely circle the stop drop and go roundabout.** Please give consideration to cars who are circling this area.
- At no time can cars stop over the footpath at the entrance from Tenbar St to the stop drop and go area. This creates a potentially dangerous situation for students and parents crossing the driveway.
- Be alert at all times.
